

**15<sup>th</sup> ELECRAMA 2023**  
**Global Electrical Equipment Industry Exhibition, at Delhi, India**  
**From 18 – 22 February 2023.**

The **Indian Electrical & Electronics Manufacturers' Association (IEEMA)** is organizing the 15<sup>th</sup> Global Electrical Equipment Industry Exhibition, the **ELECRAMA 2023**, with the theme “**Reimagine Energy for Sustainable Future**” from **18 - 22 February, 2023**, at India Expo Mart Ltd., Greater NOIDA, Delhi NCR, India.

ELECRAMA 2023 targets visitors from the global electrical industry fraternity, including key policy makers, regulators, officials of power utilities, representatives of funding agencies, technical specialists and consultants, electrical equipment buyers, engineering project contractors and members of the academic community from India and abroad.

The exhibition will bring a plethora of opportunities in innovation & future technologies, sustainability through Energy Conservation, new business opportunities and supply chains, start-up ecosystem and many more.

The following areas will be covered through co-located events organised during ELECRAMA :

- *World Utility Summit*: WUS witnesses Energy leaders from all over the world join the mega power sector congregation.
- *Reverse Buyer-Seller Meet (RBSM)*: Provides an opportunity to have one on one business meetings with 700 buyers from 60 Countries.
- *ETechnext*: This forum powers deliberations on pertinent challenges of next generation technologies, e-mobility, energy storage, start-up forum and upskilling for new technologies.
- *BuildElec*: Focuses on evolving trends of AI and IoT, Smart Tech, energy efficiency, security, power quality, rooftop solar, security and surveillance, and lighting.
- *Dedicated Pavilions*: Available on Renewable Energy, Railways and Small & Medium Enterprises.
